ABOUT THE UNIVERSITY

Bharathidasan University, Tiruchirappalli, is a premier public university committed to excellence in teaching, research, and community engagement.

The motto of the University "We will create a brave new world" has been framed from Bharathidasan's poetic words. With the ultimate aim of creating a brave new world, Bharathidasan University ensures the pursuit of excellence in teaching, learning, research, and extension of knowledge through higher education. The University endeavours to be true to such a vision by creating in the region a brave new world of academic innovation for social change.

ABOUT THE DEPARTMENT

The Department of Mathematics has been a center of academic distinction, producing quality research scholars and graduates. The Department of Mathematics started functioning in 1963 in the erstwhile Madras University Postgraduate Centre. Except for the initial period, the department has been offering M.Sc., M. Phil., and Ph.D. programmes. The department has a full-fledged computer lab for both teaching and research. More than six thousand reference books are available in the departmental library.
